The screenshot shows the 'AI Article Writer 3.0' interface. At the top, there is a navigation bar with a menu icon, the text 'AI Article Writer 3.0', a 'GET IDEAS' button with a checkmark, and a '2 GET AN INTRO' button. Below the navigation bar, on the left, there is a 'Your balance: 5 credits' indicator. The main input area contains a 'Title' field with a character count of '254 / 300' and the text '10 Proven Content Marketing Strategies to Boost Your Online'. Below the title field is a 'Language' dropdown menu set to 'English'. On the right side of the interface, there is a link that says 'Read our detailed...'. A pink vertical bar is visible on the right edge of the screenshot.

12 You can "Generate Intros"

This screenshot shows the same interface as the previous one, but with a focus on the 'Generate Intros' button. The 'Language' dropdown menu is still set to 'English'. At the bottom of the interface, there is a 'Generate Intros' button with a blue gradient and a white arrow. Above this button, there is a tooltip that says 'Generate Intros' and 'Enter'. To the left of the 'Generate Intros' button is a circular icon with a red center and a blue outer ring, and a small '3' with up and down arrows. To the right of the button is a white circular button with a right-pointing arrow. A pink vertical bar is visible on the right edge of the screenshot.

13 Click your choice.

The screenshot shows a user interface for generating content. On the left, there's a sidebar with a balance of 4 credits, a character count of 68 / 300, and a dropdown menu set to 'English'. The main area contains two text boxes. The top box contains the text: "and sharing valuable content, businesses can establish the However, creating effective content can be a challenge, es 10 proven content marketing strategies that will help boost compelling blog posts to leveraging social media, these str target audience and drives results. So, whether you're a se can take your online presence to the next level." Below this text is a character count: "155 words / 827 characters". The bottom box contains the text: "In today's digital age, content marketing has become an es small business owner or a large corporation, creating enga strong online presence. But with so many content marketir we've compiled a list of 10 proven content marketing strate high-quality blog posts to leveraging social media platform traffic to your website, and ultimately, increase your bottor read on and discover the top 10 strategies that will help yo". Below this text is a character count: "145 words / 758 characters". At the bottom of the interface, there is a "Generate Outlines" button highlighted with a blue circle, and a "Generate" button with a blue checkmark icon.

14 Click "Generate Outlines"

The screenshot shows the same user interface as in step 13. The text box on the left now contains the full generated text: "In today's digital age, content marketing has become an essential part of any successful online business strategy. Whether you're a small business owner or a large corporation, creating engaging content that resonates with your target audience is crucial to building a strong online presence. But with so many content marketing strategies out there, it can be hard to know where to start. T". Below the text box is a language dropdown menu set to "English". At the bottom of the interface, the "Generate Outlines" button is highlighted with a blue circle, and the "Generate" button is also visible.
